DID YOU SEE DANIEL?

Or did you look past him and carry on with your life?

Like many of the young people who come to Centrepoint, Daniel is no stranger to being ignored. His stepfather used to lock him out of the house. His mother said she wished she'd never had him.

Daniel left home at 16 and fled to London, hoping for a better life. With no home, he spent his time walking around and riding around on buses. He was cold, hungry and grubby. Worst of all he felt worthless. Even when he eventually found a B&B, he did not feel safe.

While Daniel's story may sound shocking to you, many of the homeless young people who come to Centrepoint have been through similar experiences.

By giving just 40p a day (£12 a month) you can get a vulnerable homeless person off the streets right now. You'll give them a room of their own and all the support they need to rebuild their life. They'll receive counselling to deal with their problems, career advice to help them into college or a job, and basic life skills, such as how to budget and pay bills. So, when they're ready to leave, they can live independently.

Many people don't give homeless people like Daniel a second glance, but today you can be the person who chooses not to ignore them. Thanks to someone like you, Daniel is now safe at Centrepoint.
